

PW EMS

The Policy is the foundation and strength of the EMS. The philosophy of the Policy supports reducing the significant aspects, which in turn leads to the Objectives. The Objectives then lead to the Environmental Management Programs.

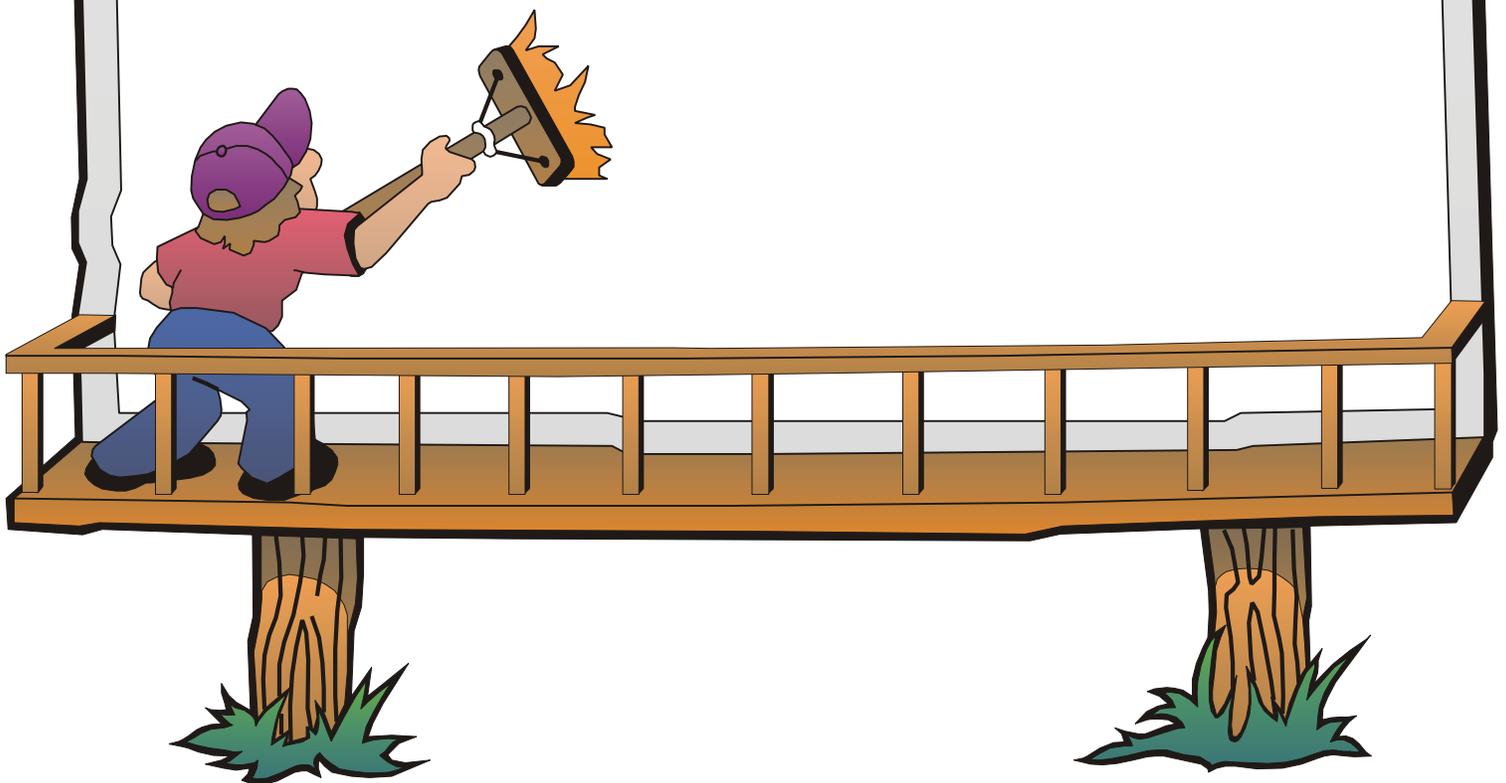

Public Works Environmental Policy

Compliance - 100%

Improve Continuously

Minimize Impacts

Prevent Pollution

Public Works EMS

Connection Between Aspects and Objectives

Significant Aspects

Objectives

Material and Energy Consumption

Reduce Use and Consumption of Paper

Air Emissions

Reduce Air Emissions

Spills and Discharges

Reduce Preventable Spills

Impacts to Historic Sites

Reduce Losses to Historic Sites
